Description

We have PWT Encoder Chekcing device for 1Vpp/ 1Vss Encoders for Sale

The PWT is a simple adjusting aid for HEIDENHAIN incremental encoders. In a small LCD window, the signals are shown as bar charts with reference to their tolerance limits.

Functions

- Qualitative evaluation of incremental-signal amplitude
- Qualitative evaluation of the reference mark signal
- Measuring the width of the reference mark signal
- Displaying the position of the reference mark signal with respect to the incremental signal Interfaces

PWT 10 Encoder with 11 75PP interface

PWT 12 Encoder with 17.5 1000PP and square wave switchover function

PWT 18 - for Encoders with 1 VPP interface

Items supplied

Service case with appropriate accessories such as a universal power supply unit, accessories for cables and connectors.

Please note:

For a detailed evaluation of signal quality, HEIDENHAIN recommends the PWM 9 or PWM 20 phase angle measuring unit.

Why Buy From Instock Spares?

- Dubai / UAE based industrial automation spare parts supplier
- Ready stock on many listed items, subject to prior sale
- Same-day dispatch available on confirmed stock items
- Worldwide shipping with express courier options
- Technical support and troubleshooting assistance available
- Field service support available on request
- Trusted industrial supplier since 2003

Frequently Asked Questions

Is this item available in stock?

Many listed items are available from Dubai / UAE stock. Availability is subject to prior sale, so please contact us by WhatsApp, phone, or email to confirm current stock before ordering.

Do you ship internationally?

Yes. We stock and ship industrial automation spare parts worldwide using express courier options.

Can you support installation or troubleshooting?

Yes. Technical support and field service options are available for purchased items upon request.

Can I get an equivalent or upgraded model?

Yes. Contact us with your part number, machine details, or photos, and we will help check compatibility, replacement options, or upgraded models.

Can I cancel or modify an order after it has been placed?

Yes, where possible. Please contact us as soon as possible with your order details. We will assist based on the order status, packing status, and shipment status.

Can I return or exchange a product?

Returns or exchanges may be possible depending on the product type, condition, and order terms. Please review our return policy or contact our team before ordering if you need confirmation.
