Description

Orbit Controls AG INF8-EnDat - Absolutecode Counter for EnDat Encoders

[Know more about : EnDat 2.2 – Bidirectional Interface for Position Encoders - download PDF here](#)

[Manual of INF8 Here](#)

Model INF8-ABS is a 6 digit counter for a direct connection to EnDat serial interface of Absolute Coded Resolvers and optical Lineals. The counter is front programmable with the keyboard and uses a high speed microcontroller. Standard features are multiplication and division of the display readings, preset and reset, four set points, two analog outputs and two serial data ports. The readings at the display can be scaled in required units and resolution. The menu permits selection of EnDat 2.1 or EnDat 2.2.

Input EnDat 2.1 and EnDat 2.2

Display Scalable 6 digits display

Outputs Analogue Outputs -10 ... 10V and 4-20mA. Dataports RS232 and RS485

Set Points Four Set Point Relays 5A-230VAC

Supply 115/230VAC or 9-36VDC

Why Buy From Instock Spares?

- Dubai / UAE based industrial automation spare parts supplier
- Ready stock on many listed items, subject to prior sale
- Same-day dispatch available on confirmed stock items
- Worldwide shipping with express courier options
- Technical support and troubleshooting assistance available
- Field service support available on request
- Trusted industrial supplier since 2003

Frequently Asked Questions

Is this item available in stock?

Many listed items are available from Dubai / UAE stock. Availability is subject to prior sale, so please contact us by WhatsApp, phone, or email to confirm current stock before ordering.

Do you ship internationally?

Yes. We stock and ship industrial automation spare parts worldwide using express courier options.

Can you support installation or troubleshooting?

Yes. Technical support and field service options are available for purchased items upon request.

Can I get an equivalent or upgraded model?

Yes. Contact us with your part number, machine details, or photos, and we will help check compatibility, replacement options, or upgraded models.

Can I cancel or modify an order after it has been placed?

Yes, where possible. Please contact us as soon as possible with your order details. We will assist based on the order status, packing status, and shipment status.

Can I return or exchange a product?

Returns or exchanges may be possible depending on the product type, condition, and order terms. Please review our return policy or contact our team before ordering if you need confirmation.
