Description

For sale is : One TR Electronics Encoder

Drehgeber Kompakt-Wertgeber ZE-65-M Series Absolute Programmable Rotary Encoders

Interface: Profibus

TR ZE 65M

Art. Nr: 171-50066

Absolute rotary programmable multi turn 65 mm dia. encoder up to 33 bit resolution. The ZE-65 utilizes CCD and plastic disk technology permitting very high resolution and up to 12,000 rpm operating speeds. Multiple interfaces, mounting flanges, shafts and connector configurations are available.

Typ ZE 65M

Art.Nr. 171-50066

Welle 6mm

Schritte max 4096

Schnittstelle Profibus

Ausgangspegel RS 485

Version ECE-TI-D-0017/VXXX

Absolute rotary programmable multi turn 65 mm dia. encoder up to 33 bit resolution.
The ZE-65 utilizes CCD and plastic disk technology permitting very high resolution and up to 12,000 rpm operating speeds.

You are welcome to make an Offer for the item. Most Reasonable offers are Accepted. Payment required within 4 Days - Only Serious buyers Please.

We Ship UPS Saver Expedited - same or Next day.(Reaches USA in 3-4 days)

Buyer is responsible for Paying any Local Duty/ Taxes/ Custom Clearance in their country.

Dubai is one of the Most Connected city in The world. Dubai as our Shipping Hub, We take Pride in delivering anywhere in the World faster then anyone else can

This Item is In Our OWN Stock at "Ajman City" near Dubai in United Arab Emirates. If you want you can collect it right away on your UPS account or send someone over to our office (collection possible even on "Weekends and after office hours")

Please note : The part described as per pictures is for Sale If you need Higher resolution pictures from another angle or from a specific area of the part do ask. Do not assume and ask for more information. We would try to provide the information to help you make an Informed purchase decision.

PHOTOS are given for all units available....but the Price is for EACH... if you want to buy more units.. increase quantity while ordering

We sell as per picture ; all other information/data including Specifications etc. is provided without obligation. We have gathered the information from the Label at the packet and from Internet. This may or may not be correct. Research yourself before trusting the data/ specifications

Why Buy From Instock Spares?

- Dubai / UAE based industrial automation spare parts supplier
- Ready stock on many listed items, subject to prior sale
- Same-day dispatch available on confirmed stock items
- Worldwide shipping with express courier options
- Technical support and troubleshooting assistance available
- Field service support available on request
- Trusted industrial supplier since 2003

Frequently Asked Questions

Is this item available in stock?

Many listed items are available from Dubai / UAE stock. Availability is subject to prior sale, so please contact us by WhatsApp, phone, or email to confirm current stock before ordering.

Do you ship internationally?

Yes. We stock and ship industrial automation spare parts worldwide using express courier options.

Can you support installation or troubleshooting?

Yes. Technical support and field service options are available for purchased items upon request.

Can I get an equivalent or upgraded model?

Yes. Contact us with your part number, machine details, or photos, and we will help check compatibility, replacement options, or upgraded models.

Can I cancel or modify an order after it has been placed?

Yes, where possible. Please contact us as soon as possible with your order details. We will assist based on the order status, packing status, and shipment status.

Can I return or exchange a product?

Returns or exchanges may be possible depending on the product type, condition, and order terms. Please review our return policy or contact our team before ordering if you need confirmation.
